MY 4-H PROJECT STORY

Tell your project story in this space using a narrative form, photos, clippings, or artwork. You might include what you've learned this year; processes used to make items, care for and train animals; problems you had and how you solved them; skills you gained or practiced; responsibilities in this project; and project activities or experiences you participated in to learn more about the project. You may use additional sheets of paper to complete this section. Not more than 6 photos for each project.
